Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).
(Pasquale Larkin I)

WACKED: HEY, WANNA SQUEEZE MY CHEESE? (PAPERBACK)

Word Alive Press, United States, 2014. Paperback. Condition: New. Language: English. Brand new Book. In Wacked: Hey, Wanna Squeeze My Cheese? you'll find a pumpkin who gets married, a girl who thinks she's a bird, Sally, a golfer who only banks her shots off trees, a surfing pig, and a grandma who tries to jam an apple in her ear. There's a crazy world inside these pages where you'll find humor for all your different moods. Larry's loose tooth Rattled in his brain! It almost drove him nuts! He bawled from the pain! Maybe this will make your day when you're in a good mood. Or perhaps the following will do the same, if you're not having a good day: Rob walked a mile to see a mule! How silly can he be? Cause when he got there! It kicked him in the knee! Whichever one tickles your funny bone, regardless of your mood, just read that one for the day and think about it. You may find it has another layer that makes you laugh all the harder. About the Author: Dave Hammer is also the author of his life story, From Out of the Flames: A True Story of Survival, and Max Greebly and the Mystery of the Bawling Bank Robbers, a book for younger readers. He is a graduate of Taylor University College in Edmonton, Alberta. He writes full-time and is an avid reader. He currently lives in Western Canada.
